Berlitz General Union Tokyo

Berlitz MGT tells the **Union**,

For Posting

the **Labor**
Standards Office

and the **Court**

instructors don't have to prepare for class

before the lesson/on break time.

Do you think the **students** want to hear

that their teachers

AREN'T PREPARED for class?

The company should pay for needed prep time. They evaluate you on it, so it's work, right?
